| Artikelname              | CCDC134 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                                   |
| Artikelnummer            | GTX85268                                                                                                                                                                             |
| Hersteller Artikelnummer | GTX85268                                                                                                                                                                             |
| Alternativnummer         | GTX85268-100                                                                                                                                                                         |
| Hersteller               | GeneTex                                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                           |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                    |
| Immunogen                | CCDC134 antibody was raised against a 17 amino acid synthetic peptide near the amino terminus of human CCDC134. The immunogen is located within the first 50 amino acids of CCDC134. |
| Konjugation              | Unconjugated                                                                                                                                                                         |
| Klonalität               | Polyclonal                                                                                                                                                                           |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                             |
| Molekulargewicht         | 27                                                                                                                                                                                   |
| NCBI                     | <a href="#">79879</a>                                                                                                                                                                |
| UniProt                  | <a href="#">Q9H6E4</a>                                                                                                                                                               |
| Puffer                   | PBS, 0.02% Sodium azide.                                                                                                                                                             |

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                         |
| Anwendungsbeschreibung | WB: 1 - 2 µg/mL. IHC-P: 2.5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
