| Artikelnummer            | GTX85358                                                                                                                                                                   |
| Hersteller Artikelnummer | GTX85358                                                                                                                                                                   |
| Alternativnummer         | GTX85358-100                                                                                                                                                               |
| Hersteller               | GeneTex                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                 |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                          |
| Immunogen                | TOM70 antibody was raised against a 17 amino acid synthetic peptide near the amino terminus of human TOM70. The immunogen is located within amino acids 50 - 100 of TOM70. |
| Konjugation              | Unconjugated                                                                                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                                                 |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                   |
| Molekulargewicht         | 67                                                                                                                                                                         |
| Sensitivitaet            | At least two isoforms of TOM70 are known to exist, this antibody will only detect the larger isoform.                                                                      |
| NCBI                     | <a href="#">9868</a>                                                                                                                                                       |

|                        |                                                                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">O94826</a>                                                                                                                     |
| Puffer                 | PBS, 0.02% Sodium azide.                                                                                                                   |
| Formulierung           | Liquid                                                                                                                                     |
| Anwendungsbeschreibung | WB: 2 µg/mL. IHC-P: 2.5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
