| Alternativnummer         | GTX85377-100                                                                                                                                                               |
| Hersteller               | GeneTex                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                 |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                          |
| Immunogen                | Spred1 antibody was raised against a 20 amino acid synthetic peptide near the center of the human Spred1. The immunogen is located within amino acids 120 - 170 of Spred1. |
| Konjugation              | Unconjugated                                                                                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                                                 |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                   |
| Molekulargewicht         | 50                                                                                                                                                                         |
| NCBI                     | <a href="#">161742</a>                                                                                                                                                     |
| UniProt                  | <a href="#">Q7Z699</a>                                                                                                                                                     |
| Puffer                   | PBS, 0.02% Sodium azide.                                                                                                                                                   |

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                         |
| Anwendungsbeschreibung | WB: 1 - 2 µg/mL. IHC-P: 2.5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
