| Artikelname              | TEM1 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                            |
| Artikelnummer            | GTX85429                                                                                                                                                                   |
| Hersteller Artikelnummer | GTX85429                                                                                                                                                                   |
| Alternativnummer         | GTX85429-100                                                                                                                                                               |
| Hersteller               | GeneTex                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                 |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                      |
| Immunogen                | TEM1 antibody was raised against a 14 amino acid synthetic peptide near the amino terminus of the human TEM1. The immunogen is located within amino acids 40 - 90 of TEM1. |
| Konjugation              | Unconjugated                                                                                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                                                 |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                   |
| Molekulargewicht         | 81                                                                                                                                                                         |
| Sensitivitaet            | At least two isoforms of TEM1 are known to exist, this antibody recognizes only the larger isoform.                                                                        |
| NCBI                     | <a href="#">57124</a>                                                                                                                                                      |

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q9HCU0</a>                                                                                                                         |
| Puffer                 | PBS, 0.02% Sodium azide.                                                                                                                       |
| Formulierung           | Liquid                                                                                                                                         |
| Anwendungsbeschreibung | WB: 0.5-1 µg/mL. IHC-P: 2.5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
