## Product Datasheet

### TEF antibody, Unconjugated, Rabbit, Polyclonal GTX87608

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Artikelname              | TEF antibody, Unconjugated, Rabbit, Polyclonal                                           |
| Artikelnummer            | GTX87608                                                                                 |
| Hersteller Artikelnummer | GTX87608                                                                                 |
| Alternativnummer         | GTX87608-100                                                                             |
| Hersteller               | GeneTex                                                                                  |
| Wirt                     | Rabbit                                                                                   |
| Kategorie                | Antikörper                                                                               |
| Applikation              | WB                                                                                       |
| Spezies Reaktivität      | Human, Rat                                                                               |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human TEF (211-260). |
| Konjugation              | Unconjugated                                                                             |
| Klonalität               | Polyclonal                                                                               |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)         |
| Molekulargewicht         | 33                                                                                       |
| NCBI                     | <a href="#">7008</a>                                                                     |
| UniProt                  | <a href="#">Q10587</a>                                                                   |
| Puffer                   | PBS, 150mM NaCl, 50% Glycerol, 0.02% Sodium azide.                                       |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 1:500~1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
