## Product Datasheet

### KANK2 antibody, Unconjugated, Rabbit, Polyclonal GTX87782

|                          |                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------|
| Artikelname              | KANK2 antibody, Unconjugated, Rabbit, Polyclonal                                           |
| Artikelnummer            | GTX87782                                                                                   |
| Hersteller Artikelnummer | GTX87782                                                                                   |
| Alternativnummer         | GTX87782-100                                                                               |
| Hersteller               | GeneTex                                                                                    |
| Wirt                     | Rabbit                                                                                     |
| Kategorie                | Antikörper                                                                                 |
| Applikation              | ICC, IHC-P                                                                                 |
| Spezies Reaktivität      | Human                                                                                      |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human KANK2 (351-400). |
| Konjugation              | Unconjugated                                                                               |
| Klonalität               | Polyclonal                                                                                 |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)           |
| NCBI                     | <a href="#">25959</a>                                                                      |
| UniProt                  | <a href="#">Q63ZY3</a>                                                                     |
| Puffer                   | PBS, 150mM NaCl, 50% Glycerol, 0.02% Sodium azide.                                         |
| Formulierung             | Liquid                                                                                     |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | ICC/IF: 1:100~1:500. IHC-P: 1:50~1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
