## Product Datasheet

### Mammaglobin A antibody, Unconjugated, Rabbit, Polyclonal GTX87883

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| Artikelname              | Mammaglobin A antibody, Unconjugated, Rabbit, Polyclonal                                         |
| Artikelnummer            | GTX87883                                                                                         |
| Hersteller Artikelnummer | GTX87883                                                                                         |
| Alternativnummer         | GTX87883-100                                                                                     |
| Hersteller               | GeneTex                                                                                          |
| Wirt                     | Rabbit                                                                                           |
| Kategorie                | Antikörper                                                                                       |
| Applikation              | ICC, IHC-P, WB                                                                                   |
| Spezies Reaktivität      | Human                                                                                            |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human Mammaglobin A (41-90). |
| Konjugation              | Unconjugated                                                                                     |
| Klonalität               | Polyclonal                                                                                       |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                 |
| Molekulargewicht         | 11                                                                                               |
| NCBI                     | <a href="#">4250</a>                                                                             |
| UniProt                  | <a href="#">Q13296</a>                                                                           |
| Puffer                   | PBS, 150mM NaCl, 50% Glycerol, 0.02% Sodium azide.                                               |

|                        |                                                                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                   |
| Anwendungsbeschreibung | WB: 1:500~1:1000. ICC/IF: 1:100~1:500. IHC-P: 1:50~1:100.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
