## Product Datasheet

### **APOBEC1 antibody, Internal (near N-term), Unconjugated, Goat, Polyclonal GTX88509**

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | APOBEC1 antibody, Internal (near N-term), Unconjugated, Goat, Polyclonal                                                           |
| Artikelnummer            | GTX88509                                                                                                                           |
| Hersteller Artikelnummer | GTX88509                                                                                                                           |
| Alternativnummer         | GTX88509-100                                                                                                                       |
| Hersteller               | GeneTex                                                                                                                            |
| Wirt                     | Goat                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | WB                                                                                                                                 |
| Spezies Reaktivität      | Mouse                                                                                                                              |
| Immunogen                | Peptide with sequence DVFYDPRELRKEAC, from the internal region (near N Terminus) of the protein sequence according to NP_001635.2. |
| Konjugation              | Unconjugated                                                                                                                       |
| Klonalität               | Polyclonal                                                                                                                         |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                        |
| Molekulargewicht         | 28                                                                                                                                 |
| NCBI                     | <a href="#">339</a>                                                                                                                |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P41238</a>                                                                                                    |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                        |
| Formulierung           | Liquid                                                                                                                    |
| Anwendungsbeschreibung | WB: 1-3µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
