## Product Datasheet

### FMRP antibody, Internal, Unconjugated, Goat, Polyclonal GTX88748

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | FMRP antibody, Internal, Unconjugated, Goat, Polyclonal                                                                                  |
| Artikelnummer            | GTX88748                                                                                                                                 |
| Hersteller Artikelnummer | GTX88748                                                                                                                                 |
| Alternativnummer         | GTX88748-100                                                                                                                             |
| Hersteller               | GeneTex                                                                                                                                  |
| Wirt                     | Goat                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                               |
| Applikation              | IHC-P, WB                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                    |
| Immunogen                | Peptide with sequence C-RTGKDRNQKKEKPD, from the internal region (near the C Terminus) of the protein sequence according to NP_002015.1. |
| Konjugation              | Unconjugated                                                                                                                             |
| Klonalität               | Polyclonal                                                                                                                               |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                              |
| Molekulargewicht         | 71                                                                                                                                       |
| NCBI                     | <a href="#">2332</a>                                                                                                                     |
| UniProt                  | <a href="#">Q06787</a>                                                                                                                   |

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                                             |
| Formulierung           | Liquid                                                                                                                                         |
| Anwendungsbeschreibung | WB: 0.1-0.3µg/ml. IHC-P: 2.5µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
