## Product Datasheet

### Cytohesin 2 antibody, N-term, Unconjugated, Goat, Polyclonal GTX88930

|                          |                                                                                                                          |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Cytohesin 2 antibody, N-term, Unconjugated, Goat, Polyclonal                                                             |
| Artikelnummer            | GTX88930                                                                                                                 |
| Hersteller Artikelnummer | GTX88930                                                                                                                 |
| Alternativnummer         | GTX88930-100                                                                                                             |
| Hersteller               | GeneTex                                                                                                                  |
| Wirt                     | Goat                                                                                                                     |
| Kategorie                | Antikörper                                                                                                               |
| Applikation              | WB                                                                                                                       |
| Spezies Reaktivität      | Human, Rat                                                                                                               |
| Immunogen                | Peptide with sequence EDGVYEPPDLTP-C, from the N Terminus of the protein sequence according to NP_004219.2, NP_059431.1. |
| Konjugation              | Unconjugated                                                                                                             |
| Klonalität               | Polyclonal                                                                                                               |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                              |
| Molekulargewicht         | 47                                                                                                                       |
| Sensitivitaet            | This antibody is expected to recognise both reported isoforms (NP_004219.2, NP_059431.1).                                |
| NCBI                     | <a href="#">9266</a>                                                                                                     |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q99418</a>                                                                                                        |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                            |
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 0.5-1.5µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
