## Product Datasheet

### Apolipoprotein A4 antibody, Internal, Unconjugated, Goat, Polyclonal GTX89166

|                          |                                                                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Apolipoprotein A4 antibody, Internal, Unconjugated, Goat, Polyclonal                                                                   |
| Artikelnummer            | GTX89166                                                                                                                               |
| Hersteller Artikelnummer | GTX89166                                                                                                                               |
| Alternativnummer         | GTX89166-100                                                                                                                           |
| Hersteller               | GeneTex                                                                                                                                |
| Wirt                     | Goat                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | IHC-P, WB                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                  |
| Immunogen                | Peptide with sequence C-KEKESQDKTSLP, from the internal region (near the C Terminus) of the protein sequence according to NP_000473.2. |
| Konjugation              | Unconjugated                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                             |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                            |
| NCBI                     | <a href="#">337</a>                                                                                                                    |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                                     |
| Formulierung             | Liquid                                                                                                                                 |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | WB: 0.01-0.03µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
