## Product Datasheet

### Gelsolin antibody, Internal, Unconjugated, Goat, Polyclonal GTX89234

|                          |                                                                                                                               |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Gelsolin antibody, Internal, Unconjugated, Goat, Polyclonal                                                                   |
| Artikelnummer            | GTX89234                                                                                                                      |
| Hersteller Artikelnummer | GTX89234                                                                                                                      |
| Alternativnummer         | GTX89234-100                                                                                                                  |
| Hersteller               | GeneTex                                                                                                                       |
| Wirt                     | Goat                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                    |
| Applikation              | WB                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                         |
| Immunogen                | Peptide with sequence C-PRLKDKKMDAHP, from the internal region of the protein sequence according to NP_000168.1, NP_937895.1. |
| Konjugation              | Unconjugated                                                                                                                  |
| Klonalität               | Polyclonal                                                                                                                    |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                   |
| Molekulargewicht         | 86                                                                                                                            |
| Sensitivitaet            | This antibody is expected to recognize both reported isoforms (NP_000168.1 and NP_937895.1).                                  |
| NCBI                     | <a href="#">2934</a>                                                                                                          |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P06396</a>                                                                                                        |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                            |
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 0.1-0.3µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
