| Artikelname              | Cytokeratin 9 (KRT9) Rabbit mAb, Unconjugated, Monoclonal                                                                                                                                                                    |
| Artikelnummer            | ABB-A9621                                                                                                                                                                                                                    |
| Hersteller Artikelnummer | A9621                                                                                                                                                                                                                        |
| Alternativnummer         | ABB-A9621-100UL, ABB-A9621-20UL                                                                                                                                                                                              |
| Hersteller               | ABclonal                                                                                                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                   |
| Applikation              | ELISA, WB                                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                        |
| Immunogen                | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                                                                                                              |
| Konjugation              | Unconjugated                                                                                                                                                                                                                 |
| Produktbeschreibung      | This gene encodes the type I keratin 9, an intermediate filament chain expressed only in the terminally differentiated epidermis of palms and soles. Mutations in this gene cause epidermolytic palmoplantar keratoderma.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                   |
| Molekulargewicht         | 62kDa                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">3857</a>                                                                                                                                                                                                         |

|                        |                                                                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P35527</a>                                                                                                                                               |
| Reinheit               | Affinity purification                                                                                                                                                |
| Target-Kategorie       | KRT9                                                                                                                                                                 |
| Application Verdünnung | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                  |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Signal Transduction,Cell Biology Developmental Biology,Cytoskeleton,Extracellular Matrix,Keratin. Shipping: Ice Bag |
