| Hersteller               | ABclonal                                                                                                                                                                                                                     |
| Wirt                     | E. coli                                                                                                                                                                                                                      |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                        |
| Immunogen                | Ala2-Pro132                                                                                                                                                                                                                  |
| Produktbeschreibung      | Recombinant Human VAMP-B/VAMP-C Protein is produced by E.coli expression system. The target protein is expressed with sequence (Ala2-Pro132) of human VAMPB (Accession O95292) fused with a 6xHis tag at the C- terminus.... |
| Konzentration            | < 1 EU/μg of the protein by LAL method.                                                                                                                                                                                      |
| Molekulargewicht         | 16 kDa                                                                                                                                                                                                                       |
| Tag                      | C-His                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">9217</a>                                                                                                                                                                                                         |
