## Product Datasheet

### **Recombinant Amyloid Beta Precursor Protein Binding Protein B1 (APBB1), E. coli USC-RPC218MU01**

|                          |                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Amyloid Beta Precursor Protein Binding Protein B1 (APBB1), E. coli                                     |
| Artikelnummer            | USC-RPC218MU01                                                                                                     |
| Hersteller Artikelnummer | RPC218Mu01                                                                                                         |
| Alternativnummer         | USC-RPC218MU01-10, USC-RPC218MU01-50, USC-RPC218MU01-100, USC-RPC218MU01-200, USC-RPC218MU01-500, USC-RPC218MU01-1 |
| Hersteller               | Cloud-Clone                                                                                                        |
| Wirt                     | E. coli                                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                                   |
| Applikation              | Control, SDS-PAGE, WB                                                                                              |
| Spezies Reaktivität      | Mouse                                                                                                              |
| Molekulargewicht         | Predicted Molecular Mass(KD): 29.2kDa. Accurate Molecular Mass(KD): 40kDa                                          |
| Tag                      | N-terminal His Tag                                                                                                 |
| UniProt                  | <a href="#">Q9QXJ1</a>                                                                                             |
| Puffer                   | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Quelle                   | Prokaryotic expression                                                                                             |
| Expression System        | Prokaryotic expression                                                                                             |

|              |                     |
|--------------|---------------------|
| Reinheit     | > 90%               |
| Formulierung | Freeze-dried powder |
