| Konjugation              | Cy3                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Ligand for members of the frizzled family of seven transmembrane receptors. Probable developmental protein. May be a signaling molecule which affects the development of discrete regions of tissues. Is likely to signal over only few cell diameters.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                                |
| Konzentration            | Lot dependent                                                                                                                                                                                                                                              |
