| Spezies Reaktivität      | Human, Mouse, Primate, Rat                                                                                                                                                                                                                                                            |
| Immunogen                | Fusion protein amino acids 1929-2009 (cytoplasmic C-terminus) of rat Nav1.1 (accession number P04774) produced recombinantly in E. Coli                                                                                                                                               |
| Konjugation              | FL550                                                                                                                                                                                                                                                                                 |
| Produktbeschreibung      | Our chicken Anti-Nav1.1 Na <sup>+</sup> channel recombinant monoclonal antibody is a chimeric antibody derived from NeuroMab clone K74/71. It detects human, mouse, non-human primate, and rat Nav1.1 Na <sup>+</sup> channel and is purified by affinity chromatography. It works... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                                                           |

|                  |                                   |
|------------------|-----------------------------------|
| Konzentration    | 0.5 mg/mL                         |
| Klon-Bezeichnung | [K74/71]                          |
| Molekulargewicht | 220 kDa                           |
| UniProt          | <a href="#">P04774</a>            |
| Puffer           | 1X PBS, 0.05% Sodium Azide pH 7.4 |
| Formulierung     | FL550 Ex: 550 nm, Em: 575 nm      |
| Target-Kategorie | Nav1.1 Na+ channel                |
| Antibody Type    | Primary Antibody                  |
