Product Datasheet

Anti-Doublecortin Antibody, Unconjugated, Gallus, Polyclonal AVL-DCX

Artikelname	Anti-Doublecortin Antibody, Unconjugated, Gallus, Polyclonal
Artikelnummer	AVL-DCX
Hersteller Artikelnummer	DCX
Alternativnummer	AVL-DCX
Hersteller	Aves Labs
Wirt	Gallus
Kategorie	Antikörper
Applikation	ICC, IHC
Spezies Reaktivität	Human, Mouse, Rat
Immunogen	Synthetic peptide
Konjugation	Unconjugated
Produktbeschreibung	Two antipeptide antibodies were generated in chickens against sequences shared between the mouse (AAT58219.1), rat (NP_445831.3) and human (CAA06617.1) gene products. These antibodies were affinity-purified and then mixed in equal concentrations. The...
Klonalität	Polyclonal
Konzentration	200 µg/mL
Molekulargewicht	40 kDa

UniProt	O15075
Puffer	Phosphate-buffered (10 mM) isotonic (0.9%, w/v) saline ("PBS, pH 7.2) with sodium azide (0.02%, w/v) added as a preservative.
Formulierung	Liquid
Target-Kategorie	Doublecortin
Antibody Type	Primary Antibody
Application Verdünnung	Dilution Range: WB: Not Recommended. Dilution Range: WB Brain: Not Recommended. Dilution Range: IHC: 1:1000-1:2000. Dilution Range: ICC: 1:1000-1:2000
