Product Datasheet

Anti-Netrin-1 Antibody, Unconjugated, Gallus, Polyclonal AVL-NET

Artikelname	Anti-Netrin-1 Antibody, Unconjugated, Gallus, Polyclonal
Artikelnummer	AVL-NET
Hersteller Artikelnummer	NET
Alternativnummer	AVL-NET
Hersteller	Aves Labs
Wirt	Gallus
Kategorie	Antikörper
Applikation	ICC, IHC
Spezies Reaktivität	Human, Mouse, Rat
Immunogen	Synthetic peptide
Konjugation	Unconjugated
Produktbeschreibung	An antipeptide antibody was generated in chickens against a sequence shared between the mouse (O09118) and human (O95631) gene products. Antibodies were affinity-purified and the concentration adjusted to 100 µg/mL. These antibodies have been validat...
Klonalität	Polyclonal
Konzentration	100 µg/mL
Molekulargewicht	67 kDa

UniProt	O95631
Puffer	Phosphate-buffered (10 mM) isotonic (0.9%, w/v) saline ("PBS, pH 7.2) with sodium azide (0.02%, w/v) added as a preservative.
Formulierung	Liquid
Target-Kategorie	Netrin-1
Antibody Type	Primary Antibody
Application Verdünnung	Dilution Range: WB: Not Recommended. Dilution Range: WB Brain: Not Recommended. Dilution Range: IHC: 1:1000-1:2000. Dilution Range: ICC: 1:1000-1:2000
