| Artikelname              | TMPRSS11E2 Antibody, Rabbit, Polyclonal                                                                                                                          |
| Artikelnummer            | NSJ-F40096-0.4ML                                                                                                                                                 |
| Hersteller Artikelnummer | F40096-0.4ML                                                                                                                                                     |
| Alternativnummer         | NSJ-F40096-0.4ML                                                                                                                                                 |
| Hersteller               | NSJ Bioreagents                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                       |
| Applikation              | ELISA, WB                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                            |
| Immunogen                | A portion of amino acids 249-277 from the human protein was used as the immunogen for this TMPRSS11E2 antibody.                                                  |
| Produktbeschreibung      | TMPRSS11E is a serine protease which possesses both gelatinolytic and caseinolytic activities. Shows a preference for Arg in the P1 position (By similarity).... |
| Klonalität               | Polyclonal                                                                                                                                                       |
| UniProt                  | <a href="#">Q9UL52</a>                                                                                                                                           |
| Reinheit                 | Antigen affinity                                                                                                                                                 |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                       |
| Antibody Type            | Primary Antibody                                                                                                                                                 |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Western blot: 1:1000                                                                                                      |
| Anwendungsbeschreibung | Titration of the Tmprss11e2 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
