| Artikelname              | Jak1 Antibody, Rabbit, Polyclonal                                                                                                                     |
| Artikelnummer            | NSJ-F43564-0.08ML                                                                                                                                     |
| Hersteller Artikelnummer | F43564-0.08ML                                                                                                                                         |
| Alternativnummer         | NSJ-F43564-0.08ML                                                                                                                                     |
| Hersteller               | NSJ Bioreagents                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | ELISA, WB                                                                                                                                             |
| Spezies Reaktivität      | Mouse                                                                                                                                                 |
| Immunogen                | A portion of amino acids 120-148 from the mouse protein was used as the immunogen for this Jak1 antibody.                                             |
| Produktbeschreibung      | Tyrosine kinase of the non-receptor type, involved in the IFN-alpha/beta/gamma signal pathway. Kinase partner for the interleukin (IL)-2 receptor.... |
| Klonalität               | Polyclonal                                                                                                                                            |
| UniProt                  | <a href="#">P52332</a>                                                                                                                                |
| Reinheit                 | Antigen affinity                                                                                                                                      |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                            |
| Antibody Type            | Primary Antibody                                                                                                                                      |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Western blot: 1:1000                                                                                                |
| Anwendungsbeschreibung | Titration of the Jak1 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
