| Artikelname              | Flt3 Antibody, Rabbit, Polyclonal                                                                         |
| Artikelnummer            | NSJ-F44013-0.4ML                                                                                          |
| Hersteller Artikelnummer | F44013-0.4ML                                                                                              |
| Alternativnummer         | NSJ-F44013-0.4ML                                                                                          |
| Hersteller               | NSJ Bioreagents                                                                                           |
| Wirt                     | Rabbit                                                                                                    |
| Kategorie                | Antikörper                                                                                                |
| Applikation              | ELISA, WB                                                                                                 |
| Spezies Reaktivität      | Mouse                                                                                                     |
| Immunogen                | A portion of amino acids 154-181 from the mouse protein was used as the immunogen for this Flt3 antibody. |
| Produktbeschreibung      | Flt3 is a receptor for the FL cytokine. Has a tyrosine-protein kinase activity....                        |
| Klonalität               | Polyclonal                                                                                                |
| UniProt                  | <a href="#">Q00342</a>                                                                                    |
| Reinheit                 | Antigen affinity                                                                                          |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                |
| Antibody Type            | Primary Antibody                                                                                          |
| Application Verdünnung   | Western blot: 1:1000                                                                                      |

Anwendungsbeschreibung

Titration of the Flt3 antibody may be required due to differences in protocols and secondary/substrate sensitivity.
