| Artikelname              | LAG3 Antibody / CD223, Rabbit, Polyclonal                                                                  |
| Artikelnummer            | NSJ-F50003-0.08ML                                                                                          |
| Hersteller Artikelnummer | F50003-0.08ML                                                                                              |
| Alternativnummer         | NSJ-F50003-0.08ML                                                                                          |
| Hersteller               | NSJ Bioreagents                                                                                            |
| Wirt                     | Rabbit                                                                                                     |
| Kategorie                | Antikörper                                                                                                 |
| Applikation              | ELISA, IHC, WB                                                                                             |
| Spezies Reaktivität      | Human                                                                                                      |
| Immunogen                | A portion of amino acids 103-132 from the human protein was used as the immunogen for this LAG3 antibody.  |
| Produktbeschreibung      | Lymphocyte-activation protein 3 belongs to Ig superfamily and contains 4 extracellular Ig-like domains.... |
| Klonalität               | Polyclonal                                                                                                 |
| UniProt                  | <a href="#">P18627</a>                                                                                     |
| Reinheit                 | Antigen affinity                                                                                           |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                 |
| Antibody Type            | Primary Antibody                                                                                           |
| Application Verdünnung   | Western blot: 1:1000,IHC (Paraffin): 1:10-1:50                                                             |

Anwendungsbeschreibung

Titration of the LAG3 antibody may be required due to differences in protocols and secondary/substrate sensitivity.
