## Product Datasheet

### ACSS3 Antibody, Rabbit, Polyclonal NSJ-F51213-0.08ML

|                          |                                                                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ACSS3 Antibody, Rabbit, Polyclonal                                                                                                        |
| Artikelnummer            | NSJ-F51213-0.08ML                                                                                                                         |
| Hersteller Artikelnummer | F51213-0.08ML                                                                                                                             |
| Alternativnummer         | NSJ-F51213-0.08ML                                                                                                                         |
| Hersteller               | NSJ Bioreagents                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                |
| Applikation              | ELISA, WB                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                     |
| Immunogen                | A portion of amino acids 224-251 from the human protein was used as the immunogen for this ACSS3 antibody.                                |
| Produktbeschreibung      | Acyl-CoA synthetase short-chain family member 3 activates acetate so that it can be used for lipid synthesis or for energy generation.... |
| Klonalität               | Polyclonal                                                                                                                                |
| UniProt                  | <a href="#">Q9H6R3</a>                                                                                                                    |
| Reinheit                 | Antigen affinity                                                                                                                          |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                |
| Antibody Type            | Primary Antibody                                                                                                                          |
| Application Verdünnung   | Western blot: 1:500-1:1000                                                                                                                |

Anwendungsbeschreibung

Titration of the ACSS3 antibody may be required due to differences in protocols and secondary/substrate sensitivity.
