| Hersteller               | NSJ Bioreagents                                                                                                                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, FACS, WB                                                                                                                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | This CD74 antibody was produced from a mouse immunized with a KLH conjugated synthetic peptide between 1-232 amino acids from human protein.                                                                                                                  |
| Produktbeschreibung      | Plays a critical role in MHC class II antigen processing by stabilizing peptide-free class II alpha/beta heterodimers in a complex soon after their synthesis and directing transport of the complex from the endoplasmic reticulum to the endosomal/lysos... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [1267CT820.116.140.154]                                                                                                                                                                                                                                       |
| UniProt                  | <a href="#">P04233</a>                                                                                                                                                                                                                                        |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Purified                                                                                                            |
| Formulierung           | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                          |
| Antibody Type          | Primary Antibody                                                                                                    |
| Application Verdünnung | Flow Cytometry: 1:25,Western blot: 1:1000                                                                           |
| Anwendungsbeschreibung | Titration of the CD74 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
