| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | This FOXA2 antibody was produced from a rabbit immunized with a KLH conjugated synthetic peptide between 355-389 amino acids from the C-terminal region of human FOXA2.                                                                                       |
| Produktbeschreibung      | Transcription factor that is involved in embryonic development, establishment of tissue-specific gene expression and regulation of gene expression in differentiated tissues. Is thought to act as a pioneer factor opening the compacted chromatin for ot... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">Q9Y261</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Antigen affinity                                                                                                                                                                                                                                              |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                                                                                                                    |

|                        |                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------|
| Antibody Type          | Primary Antibody                                                                                                     |
| Application Verdünnung | Western blot: 1:1000                                                                                                 |
| Anwendungsbeschreibung | Titration of the FOXA2 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
