| Hersteller               | NSJ Bioreagents                                                                                                                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | A human recombinant protein of amino acids 1-297 was used as the immunogen for the CDK1 antibody.                                                                                                                                                             |
| Produktbeschreibung      | Cyclin Dependent Kinase 1 plays a key role in the control of the eukaryotic cell cycle by modulating the centrosome cycle as well as mitotic onset, promotes G2-M transition, and regulates G1 progress and G1-S transition via association with multiple ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [1644CT107.30.27]                                                                                                                                                                                                                                             |
| UniProt                  | <a href="#">P06493</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Protein G affinity chromatography                                                                                                                                                                                                                             |

|                        |                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------|
| Formulierung           | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                |
| Antibody Type          | Primary Antibody                                                                                          |
| Application Verdünnung | Western blot: 1:500-1:1000                                                                                |
| Anwendungsbeschreibung | Titration of the CDK1 antibody may be required due to differences in protocols and substrate sensitivity. |
