| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | A portion of amino acids 36-70 from the human protein was used as the immunogen for the BRCC36 antibody.                                                                                                                                                      |
| Produktbeschreibung      | BRCA1/BRCA2 containing complex subunit 36 is a metalloprotease that specifically cleaves Lys-63- linked polyubiquitin chains. Does not have activity toward Lys- 48-linked polyubiquitin chains. Component of the BRCA1-A complex, a complex that specific... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P46736</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Antigen affinity                                                                                                                                                                                                                                              |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                                                                                                                    |

|                        |                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------|
| Antibody Type          | Primary Antibody                                                                                            |
| Application Verdünnung | Western blot: 1:500-1000                                                                                    |
| Anwendungsbeschreibung | Titration of the BRCC36 antibody may be required due to differences in protocols and substrate sensitivity. |
