## Product Datasheet

### **TOMM40 Antibody (N-Terminal Region), Rabbit, Polyclonal NSJ-F54080-0.2ML**

|                          |                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------|
| Artikelname              | TOMM40 Antibody (N-Terminal Region), Rabbit, Polyclonal                                             |
| Artikelnummer            | NSJ-F54080-0.2ML                                                                                    |
| Hersteller Artikelnummer | F54080-0.2ML                                                                                        |
| Alternativnummer         | NSJ-F54080-0.2ML                                                                                    |
| Hersteller               | NSJ Bioreagents                                                                                     |
| Wirt                     | Rabbit                                                                                              |
| Kategorie                | Antikörper                                                                                          |
| Applikation              | WB                                                                                                  |
| Spezies Reaktivität      | Human                                                                                               |
| Immunogen                | A portion of amino acids 22-56 from human TOMM40 was used as the immunogen for the TOMM40 antibody. |
| Produktbeschreibung      | Channel-forming protein essential for import of protein precursors into mitochondria. [UniProt]...  |
| Klonalität               | Polyclonal                                                                                          |
| UniProt                  | <a href="#">O96008</a>                                                                              |
| Reinheit                 | Antigen affinity                                                                                    |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                          |
| Antibody Type            | Primary Antibody                                                                                    |
| Application Verdünnung   | Western blot: 1:2000                                                                                |

|                        |                                                                                                                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | The stated application concentrations are suggested starting points. Titration of the TOMM40 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
