| Hersteller               | NSJ Bioreagents                                                                                                                                                                                                                                                |
| Wirt                     | Mouse                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                     |
| Applikation              | IHC-P                                                                                                                                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                          |
| Immunogen                | Recombinant full-length human MUC5AC protein was used as the immunogen for this recombinant MUC5AC antibody.                                                                                                                                                   |
| Produktbeschreibung      | This MAb recognizes the peptide core of gastric mucin M1 (recently identified as Mucin 5AC). Its epitope is located in the C-terminal cysteine rich part of the peptide core of MUC5AC. Its epitope is destroyed by beta-mercaptoethanol but not by perioda... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [rMUC5AC/3779]                                                                                                                                                                                                                                                 |
| UniProt                  | <a href="#">P98088</a>                                                                                                                                                                                                                                         |

|                        |                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------|
| Reinheit               | Protein G affinity chromatography                                                           |
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                              |
| Antibody Type          | Primary Antibody                                                                            |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml                                                       |
| Anwendungsbeschreibung | Optimal dilution of the recombinant MUC5AC antibody should be determined by the researcher. |
