| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC-P                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant full-length human S100B protein was used as the immunogen for the S100B antibody.                                                                                                                                                                 |
| Produktbeschreibung      | S100 belongs to the family of calcium binding proteins. S100A and S100B proteins are two members of the S100 family. S100A is composed of an alpha and a beta chain whereas S100B is composed of two beta chains. This antibody is specific against an epi... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |

| Reinheit                 | Protein A affinity chromatography                                                                                                                                                                                                                             |
| Formulierung             | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced) and 0.05% sodium azide                                                                                                                                                                                    |

|                        |                                                                                |
|------------------------|--------------------------------------------------------------------------------|
| Antibody Type          | Primary Antibody                                                               |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml                                          |
| Anwendungsbeschreibung | Optimal dilution of the S100B antibody should be determined by the researcher. |
