| Spezies Reaktivität      | Fungi                                                                                                                                                                                                                                                                 |
| Immunogen                | Bacterial <i>S. pombe</i> Cig2 purified protein was used as the immunogen for the Cig2 antibody.                                                                                                                                                                      |
| Produktbeschreibung      | Cig2 is a cyclin that functions as the catalytic subunit of cyclin-dependent kinases (Cdks) in the fission yeast <i>Schizosaccharomyces pombe</i> . It is a B-type, S phase cyclin that is required for both the G1/S and G2/M cell cycle transitions and is expre... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                            |
| Klon-Bezeichnung         | [3A11/5]                                                                                                                                                                                                                                                              |
| UniProt                  | <a href="#">P36630</a>                                                                                                                                                                                                                                                |
| Reinheit                 | Protein G affinity chromatography                                                                                                                                                                                                                                     |

|                        |                                                                               |
|------------------------|-------------------------------------------------------------------------------|
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                |
| Antibody Type          | Primary Antibody                                                              |
| Application Verdünnung | ELISA (order BSA-free format for coating),Western blot: 1-2ug/ml              |
| Anwendungsbeschreibung | Optimal dilution of the Cig2 antibody should be determined by the researcher. |
