| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC-P, WB                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant human full-length protein was used as the immunogen for the recombinant Annexin A1 antibody.                                                                                                                                                      |
| Produktbeschreibung      | The ANXA1 gene belongs to the annexin family, and contains 4 annexin repeats. A pair of annexin repeats may form one binding site for calcium and a phospholipid. ANXA1 promotes membrane fusion and is involved in exocytosis. The gene for ANXA1 is upre... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [ANXA1/3869R]                                                                                                                                                                                                                                                 |
| UniProt                  | <a href="#">P04083</a>                                                                                                                                                                                                                                        |

|                        |                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity chromatography                                                           |
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                              |
| Antibody Type          | Primary Antibody                                                                            |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml for 30 min at RT, Western blot: 2-4ug/ml              |
| Anwendungsbeschreibung | Optimal dilution of the recombinant Annexin A1 antibody to be determined by the researcher. |
