| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant full-length human ALB protein was used as the immunogen for the Albumin antibody.                                                                                                                                                                 |
| Produktbeschreibung      | Albumin is a soluble, monomeric protein, which comprises about one half of the blood serum protein. Albumin functions primarily as a carrier protein for steroids, fatty acids, and thyroid hormones and plays a role in stabilizing extracellular fluid v... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [rALB/6414]                                                                                                                                                                                                                                                   |
| UniProt                  | <a href="#">P02768</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Protein A/G affinity                                                                                                                                                                                                                                          |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                                         |
| Antibody Type          | Primary Antibody                                                                                       |
| Application Verdünnung | ELISA (order BSA-free format for coating),Western blot: 1-2ug/ml,Immunohistochemistry (FFPE): 1-2ug/ml |
| Anwendungsbeschreibung | Optimal dilution of the Albumin antibody should be determined by the researcher.                       |
