| Artikelname              | Recombinant HSPB1 Antibody / HSP27, Clone: [rHSPB1/6489], Mouse, Monoclonal                                                                                     |
| Artikelnummer            | NSJ-V8989SAF-100UG                                                                                                                                              |
| Hersteller Artikelnummer | V8989SAF-100UG                                                                                                                                                  |
| Alternativnummer         | NSJ-V8989SAF-100UG                                                                                                                                              |
| Hersteller               | NSJ Bioreagents                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                      |
| Applikation              | IHC-P, WB                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                           |
| Immunogen                | Recombinant human full-length HSP27 protein was used as the immunogen for the recombinant HSPB1 antibody.                                                       |
| Produktbeschreibung      | HSP27 is a small heat shock protein which functions as a molecular chaperone probably maintaining denatured proteins in a folding-competent state. [UniProt]... |
| Klonalität               | Monoclonal                                                                                                                                                      |
| Klon-Bezeichnung         | [rHSPB1/6489]                                                                                                                                                   |
| UniProt                  | <a href="#">P04792</a>                                                                                                                                          |
| Reinheit                 | Protein A/G affinity                                                                                                                                            |

|                        |                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------|
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                             |
| Antibody Type          | Primary Antibody                                                                           |
| Application Verdünnung | Western blot: 1-2ug/ml,Immunohistochemistry (FFPE): 1-2ug/ml                               |
| Anwendungsbeschreibung | Optimal dilution of the recombinant HSPB1 antibody should be determined by the researcher. |
