| Immunogen                | Synthetic peptide amino acids 477-498 of human Wave1/Wasp family 1(CQVIPASEPKRHPSTLPVISDAR, accession number Q92558)                                                                                                                                          |
| Konjugation              | FL550                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Our Anti-WAVE1/SCAR mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone K91/36. It is KO validated, detects human, mouse, and rat WAVE1/SCAR, and is purified by Protein A chromatography. It is great for use in IH... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                                     |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [K91/36]                                     |
| Molekulargewicht       | 75 kDa                                       |
| Isotyp                 | IgG1                                         |
| UniProt                | <a href="#">Q92558</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | WAVE1/SCAR                                   |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
