| Hersteller               | Antibodies Incorporated                                                                                                                                                                                                                                       |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, ICC, IHC, IP, WB                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Primate, Rat                                                                                                                                                                                                                                    |
| Immunogen                | Fusion protein amino acids 1-252 (full-length) of mouse FGF14b (accession number O89096) produced recombinantly in E. Coli                                                                                                                                    |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Our Anti-FGF14/FHF4 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N56/21. It is KO validated, detects mouse and rat FGF14/FHF4, and is purified by Protein A chromatography. It is great for use in IHC, ICC, ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/mL                                                                                                                                                                                                                                                       |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Klon-Bezeichnung       | [N56/21]                                                                                                     |
| Molekulargewicht       | 28 kDa                                                                                                       |
| Isotyp                 | IgG1                                                                                                         |
| UniProt                | <a href="#">O89096</a>                                                                                       |
| Puffer                 | 10 mM Tris, 50 mM Sodium Chloride, 0.065% Sodium Azide pH 7.23                                               |
| Target-Kategorie       | FGF14/FHF4                                                                                                   |
| Antibody Type          | Primary Antibody                                                                                             |
| Application Verdünnung | Dilution Range: WB: 1:1000. Dilution Range: IHC: 1:500. Dilution Range: ICC: 1:500. Dilution Range: IP: 2 µg |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography                                                                 |
