| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ICC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Immunogen                | Fusion protein amino acids 719-804 (variable cytoplasmic domain) of mouse Gamma-protocadherin-B2 (accession number Q91XX7) produced recombinantly in E. Coli                                                                                                  |
| Konjugation              | FL490                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Our Anti-Gamma-protocadherin-B2 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N148/30. It is KO validated, detects mouse Gamma-protocadherin-B2, and is purified by Protein A chromatography. It is great for ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                                     |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [N148/30]                                    |
| Molekulargewicht       | 100 kDa                                      |
| Isotyp                 | IgG1                                         |
| UniProt                | <a href="#">Q91XX7</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | Gamma-protocadherin-B2                       |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
