| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Fusion protein amino acids 1-321 (signal peptide and extracellular N-terminus) of mouse SynCAM4 (accession number Q8R464) produced recombinantly in E. Coli                                                                                                   |
| Konjugation              | FL490                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Our Anti-SynCAM4 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N244/5. It is KO validated, detects human, mouse, and rat SynCAM4, and is purified by Protein A chromatography. It is great for use in IHC, ICC... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                                     |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [N244/5]                                     |
| Molekulargewicht       | 43 kDa                                       |
| Isotyp                 | IgG1                                         |
| UniProt                | <a href="#">Q8R464</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | SynCAM4                                      |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
