| Kategorie                | Antikörper                                                                                                                                                                                                                                         |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                  |
| Immunogen                | Fusion protein amino acids 1-186 (full-length) of human ADP-ribosylation factor-like protein 6 (accession number Q9H0F7) produced recombinantly in E. Coli                                                                                         |
| Konjugation              | FL650                                                                                                                                                                                                                                              |
| Produktbeschreibung      | Our Anti-BBS3/Arl6 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N302/10. It detects human, mouse, and rat BBS3/Arl6, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                         |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                          |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [N302/10]                                    |
| Molekulargewicht       | 20 kDa                                       |
| Isotyp                 | IgG1                                         |
| UniProt                | <a href="#">Q9H0F7</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | BBS3/Arl6                                    |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
