| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, ICC, IHC, WB                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                                                                                    |
| Immunogen                | Fusion protein amino acids 168-255 (cytoplasmic C2A domain) of mouse Synaptotagmin-12 (also known as Syt12, Synaptotagmin XII, SytXII, Synaptotagmin-related gene 1 protein, Srg1 and Sytr1, accession number Q920N7) produced recombinantly in E. Coli       |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Our carrier-free Anti-Synaptotagmin-12 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N277/7. It detects mouse and rat Synaptotagmin-12, and is purified by Protein A chromatography. It is great for use in IH... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |

|                        |                                              |
|------------------------|----------------------------------------------|
| Konzentration          | 1 mg/mL                                      |
| Klon-Bezeichnung       | [N277/7]                                     |
| Molekulargewicht       | 45 kDa (plus others)                         |
| Isotyp                 | IgG1                                         |
| UniProt                | <a href="#">Q920N7</a>                       |
| Puffer                 | PBS                                          |
| Target-Kategorie       | Synaptotagmin-12                             |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
