| Applikation              | ICC, IHC                                                                                                                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                             |
| Immunogen                | Fusion protein amino acids 39-114 (TTVGLLAEEGGGLELEGDKEKKGKIFHIDTNALHVPRDGAEVMSPLKNGMI EDWECFRAILDHTYSKHVKSEPNL, actin subdomain 2) of human BAF53b (accession number O94805) produced recombinantly in E. Coli                                          |
| Konjugation              | FL490                                                                                                                                                                                                                                                    |
| Produktbeschreibung      | Our Anti-BAF53b mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N332B/15. It is KO validated, detects human and mouse BAF53b, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                               |

|                        |                                              |
|------------------------|----------------------------------------------|
| Konzentration          | 0.5 mg/mL                                    |
| Klon-Bezeichnung       | [N332B/15]                                   |
| Molekulargewicht       | 53 kDa                                       |
| Isotyp                 | IgG1                                         |
| UniProt                | <a href="#">O94805</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | BAF53b                                       |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
