| Wirt                     | Mouse                                                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                                                 |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                          |
| Immunogen                | Fusion protein amino acids 1-544 (full-length) of rat RGS14 (accession number O08773) produced recombinantly in E. Coli                                                                                                                    |
| Konjugation              | FL594                                                                                                                                                                                                                                      |
| Produktbeschreibung      | Our Anti-RGS14 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N133/35. It detects human, mouse, and rat RGS14, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                 |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                  |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [N133/35]                                    |
| Molekulargewicht       | 60 kDa                                       |
| Isotyp                 | IgG1                                         |
| UniProt                | <a href="#">O08773</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | RGS14                                        |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
