| Wirt                     | Mouse                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                  |
| Applikation              | ELISA, ICC, IHC, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                           |
| Immunogen                | Fusion protein amino acids 370-469 (C-terminus) of mouse Rufy3 (accession number Q9D394) produced recombinantly in E. Coli                                                                                                                                  |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                |
| Produktbeschreibung      | Our carrier-free Anti-Rufy3 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N483/26. It detects human, mouse, and rat Rufy3, and is purified by Protein A chromatography. It is great for use in IHC, ICC, WB.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                  |
| Konzentration            | 1 mg/mL                                                                                                                                                                                                                                                     |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [N483/26]                                    |
| Molekulargewicht       | 55 kDa                                       |
| Isotyp                 | IgG2a                                        |
| UniProt                | <a href="#">Q9D394</a>                       |
| Puffer                 | PBS                                          |
| Target-Kategorie       | Rufy3                                        |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
