| Applikation              | ICC, IHC                                                                                                                                                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Small cell lung carcinoma                                                                                                                                                                                                                                     |
| Konjugation              | FL650                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Our Anti-Epithelial Cell Adhesion Molecule mouse monoclonal primary antibody from Antibodies Incorporated is produced in-house from hybridoma clone ESA 214. It detects human Epithelial Cell Adhesion Molecule, and is purified by Protein A chromatograp... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [ESA 214]                                                                                                                                                                                                                                                     |

|                        |                                              |
|------------------------|----------------------------------------------|
| Molekulargewicht       | 40 kDa                                       |
| Isotyp                 | IgG1                                         |
| UniProt                | <a href="#">P16422</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | Epithelial Cell Adhesion Molecule            |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A Chromatography |
