| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Bovine, Equine, Human, Porcine, Rat                                                                                                                                                                                                                           |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human PLD2                                                                                                                                                                         |
| Produktbeschreibung      | Phosphatidylcholine (PC)-specific phospholipases D (PLDs, EC 3.1.4.4) catalyze the hydrolysis of PC to produce phosphatidic acid and choline. Activation of PC-specific PLDs occurs as a consequence of agonist stimulation of both tyrosine kinase and G ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 106 kDa                                                                                                                                                                                                                                                       |
| NCBI                     | <a href="#">5338</a>                                                                                                                                                                                                                                          |

|              |                                                                                                   |
