| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Bovine, Canine, Human, Porcine, Sheep                                                                                                                                                                                                                         |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human NFIL3                                                                                                                                                                    |
| Produktbeschreibung      | NFIL3 is a basic leucine zipper (bZIP) transcription factor that represses or activates transcription in non-osteoblastic cells. NFIL3 play a role in attenuation of PTH target gene transcription in osteoblasts. NFIL3 repression domain interacts speci... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1.0 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 51kDa                                                                                                                                                                                                                                                         |
