| Hersteller               | Aviva                                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                                     |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                           |
| Applikation              | WB                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Sheep, Zebrafish                                                                                                                                            |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human TUBB2A                                                                                                                                |
| Produktbeschreibung      | TUBB2A belongs to the tubulin family. Tubulin is the major constituent of microtubules. It binds two moles of GTP, one at an exchangeable site on the beta chain and one at a non-exchangeable site on the alpha-chain.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                 |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                  |
| Molekulargewicht         | 50kDa                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">7280</a>                                                                                                                                                                                                       |

|              |                                                                                                   |
