## Product Datasheet

### HSD17B11 Antibody - N-terminal region ASB-ARP40843\_P050

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | HSD17B11 Antibody - N-terminal region                                                                                                         |
| Artikelnummer            | ASB-ARP40843_P050                                                                                                                             |
| Hersteller Artikelnummer | ARP40843_P050                                                                                                                                 |
| Alternativnummer         | ASB-ARP40843_P050-25UL,ASB-ARP40843_P050-100UL                                                                                                |
| Hersteller               | Aviva                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                       |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Monkey, Mouse, Rabbit, Rat                                                                         |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human HSD17B11                                                 |
| Produktbeschreibung      | Short-chain alcohol dehydrogenases, such as HSD17B11, metabolize secondary alcohols and ketones (Brereton et al., 2001 [PubMed 11165019]).... |
| Klonalität               | Polyclonal                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                     |
| Molekulargewicht         | 33kDa                                                                                                                                         |
| NCBI                     | <a href="#">51170</a>                                                                                                                         |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| UniProt      | <a href="#">Q8NBQ5</a>                                                                            |
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
