| Alternativnummer         | ASB-ARP46037_P050-25UL,ASB-ARP46037_P050-100UL                                                                                                                                                                                                                |
| Hersteller               | Aviva                                                                                                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Yeast                                                                                                                                                                                          |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C terminal region of human KYNU                                                                                                                                                                     |
| Produktbeschreibung      | Kynureninase is a pyridoxal-5-phosphate (pyridoxal-P) dependent enzyme that catalyzes the cleavage of L-kynurenine and L-3-hydroxykynurenine into anthranilic and 3-hydroxyanthranilic acids, respectively. Kynureninase is involved in the biosynthesis o... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 52kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">8942</a>                                                                                                                                                                                                                                          |
